**Sub: Intimation of award Forbes 200 Best under A Billion Companies**

Dear Sir,

We are hereby pleased to inform that our Company has been selected and awarded as "Asia's 200 Best Under A Billion 2020" by Forbes.

The virtual award ceremony took place today via Zoom. Shivshankar Lature, Managing Directors of the Company, has represented and received this award on behalf of Company.

The annual Forbes Asia Best Under A Billion list spotlights top performing publicly listed companies in the Asia-Pacific region with sales under \$1 billion. From a universe of some 18,000 small and mid-sized companies, these 200 companies were selected based on a composite score that incorporated their overall track record in measures such as debt, sales and earnings growth over both the most recent fiscal one- and three-year periods, and the strongest one- and five-year average returns on equity. The criteria also ensured a geographic diversity of companies from across the region. By using metrics both quantitative and qualitative, the final list of 200 is truly a select group.

The said information is also available on following link: [Suyog Telematics \(forbes.com\)](http://Suyog Telematics (forbes.com))
